

Notice to tenants of Swansea Mews

Friday, May 27, 2022

We want to advise you of a serious incident that happened overnight in Swansea Mews.

In the early hours of Friday, May 27, a piece of the bedroom ceiling collapsed in a townhome unit in Toronto Community Housing's Swansea Mews community. The piece of the ceiling landed on and seriously injured a person. First responders and TCHC's Community Safety Unit responded to the scene, and the victim was transported to hospital.

Tenants' safety is our top priority and we will be taking all possible precautions to safeguard them. Out of an abundance of caution, tenants who live in Block H Swansea Mews will be temporarily relocated until a detailed inspection is completed by an engineer. If you feel unsafe in your unit, you can request temporary relocation until the results of the engineering inspection are completed.

If you would like more information or to request temporary relocation, please contact the Client Care Centre at 416-981-5500.

We will continue to provide the community with updates as they become available.

Call **416-981-5500** to request this handout in an alternate language or format.
